Mr R. E. Armertong
1715 Jacquelin St.
Richmond Va.

Dear Sir:

I sent you a wire yesterday, asking you to telephone me, as I felt we could work things out better by talking directly. As it is you must have called when I was not here, so I have decided to write you and enclose the ticket for the fare for the ballplayer in question.

We are playing a game in Newark this coming Friday, and I would like him to be here so I can get a chance to see him. The season is getting well under way now, and if he is going to be any help to us he should be here. If he arrives Friday between the hours of four in the afternoon and nine thirty at night, tell him to come directly to Ruppert Stadium Baseball Park. If he arrives earlier than that, or any day sooner have him come to 71 Crawford St. He had better use a taxi.

If would appreciate a reply telling me when to expect him.

Very Truly Yours
